Ayus Technology Corporation  
3501 27<sup>th</sup> Street  
Vernon, BC V1T 4X1

Dear Sirs:

**Re: Letter of Endorsement**

We recommend Ayus Technology for the treatment of hard water in order to prevent scale formation.

The Canalta Family of Companies owns and manages over 70 hotels and restaurants in western Canada. Our hotels and restaurants are located in towns with extremely hard water.

Sincerely,

CANALTA FAMILY OF COMPANIES
