Apple Seed Programme

Want to standardize your
WaterCare solutions?

Let us help you replace competitive
filters systems with Brand New
Everpure Heads!

If you are prepared to pull out the
old systems and return them to us
(freight prepaid), we will provide
you with new filter heads
(Cartridges are sold separately)

Each requirement is addressed on its
own merit and must be
“Pre-approved” in advance.

Certain terms and conditions apply,
including minimum quantities.
