

# New Products

## FEATURE SHEET

## Softening Product Line from Everpure

Danamark WaterCare offers softening products from Everpure that manage hardness in water that causes scale buildup in foodservice equipment.

Systems are available in a variety of capacities to meet your water softening requirements and specific application.

### Applications include

- Restaurants
- Hospitality Services
- Heating & Boiler Applications
- Hot water applications
- Car Washes
- Dishwashing Machines

Full range of sizes and capacities are available.

Danamark WaterCare is pleased to offer its foodservice experience and design complete water conditioning and processing systems, to provide highest quality ingredient water.
