## FEATURE SHEET

## Exubera™ Sparkling and Chilled Water Appliance

### Part No. 9318-60

- ◆ Commercial grade dispenser delivers up to **6.6 gallons** per hour of refreshing **chilled/carbonated** water
- ◆ Get luxurious instant **chilled and fizzy** water all in one compact unit!
- ◆ A perfect compliment to Everpure water filtration systems
- ◆ Chills water to an ideal 4.4°C (40°F)
- ◆ Ideal for homes, offices, health clubs, spas, restaurants, bars and resorts
- ◆ Compact unit fits easily inside the kitchen cabinet or under a wet bar counter
- ◆ Whisper-quiet, hermetically sealed and maintenance-free compressor
- ◆ Sealed ice bank cooling system ensures constant availability of chilled water
- ◆ Uses ozone-friendly R134a refrigerant
