

## Think Green & Clean: Used Water Cooler Recycle Programme

***To help you reduce your inventory of used coolers or help you to dispose of any blemished coolers, we are pleased to offer the following trade-in incentive:***

- Trade in your used coolers with a brand new cooler and we will give you a rebate of \$50.00 Canadian
- Rebate is for any used water cooler, in good working condition (i.e. the thermostat and sealed refrigeration unit are in tact and in working condition)
- Minimum order of one skid load (9-12) new coolers offset with the return of same quantity of skid load (9-12) used coolers
- Maximum number of used coolers to be returned at any one time is 96
- Client pays for the freight to return the used coolers
- Danamark pays the freight on new coolers to your branch PREPAID (on orders over \$1,000).
- Offer valid for 12 months – Nov. 15<sup>th</sup>, 2007 to Nov. 14<sup>th</sup>, 2008
