

The DanaHub logo is centered within a white circle that has a thin blue border. The circle is set against a solid blue background. The word "DanaHub" is written in a bold, sans-serif font. "Dana" is in a dark blue color, and "Hub" is in a lighter blue color.

Head Start Programme

For a minimum of 25 accounts, regardless of the model of the filtration system required, we will give you the water filtration hardware for free, to replace competitive systems.

You pay only for two sets of cartridges...

That means that your customer is off to a great start with a first full year of filtration, for the cost of cartridges only.
