***Better Water Helps Enhance your
Reputation and Control Costs***

FILTERED WATER HELPS KEEP YOUR PROFITS FROM BEING WATERED DOWN

Pentair Everpure® Water Treatment Solutions Help:

- ▶ Extend water-using equipment life
- ▶ Reduce total cost of ownership (TCO)*
- ▶ Reduce maintenance and downtime
- ▶ Improve beverage flavor profile
- ▶ Enhance produce appearance
- ▶ Reduce risk of contamination
- ▶ Increase food freshness
- ▶ Extend shelf life

You'll ring up quality and loyalty

*When combined with the Pentair Total Water Management™ Program. See slide 5.

5 EASY STEPS TO PENTAIR TOTAL WATER MANAGEMENT™

Your water treatment needs are covered, so you can concentrate on other things.

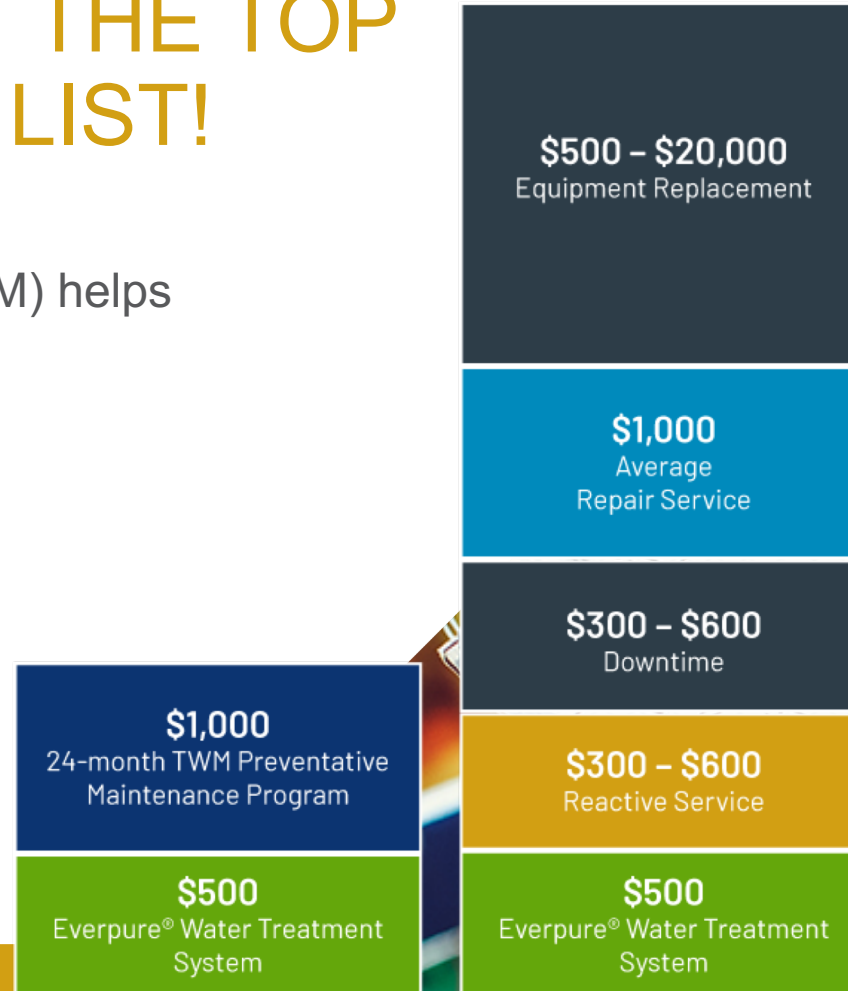

- ▶ Pentair water experts analyze your unique environment and water-using equipment set.
- ▶ Then, consider your services, challenges, and product mix.
- ▶ Finally, you'll get support and recommendations to ensure exceptional in-house water quality.

PUT YOUR STORE AT THE TOP OF THEIR GROCERY LIST!

Pentair Total Water Management™ (TWM) helps protect your:

- ▶ Food quality
- ▶ Reputation
- ▶ Equipment
- ▶ Customers' satisfaction
- ▶ Profit margins

***Total Water Management –
All the way to their dinner table!***
